

PUBLIC NOTICE

Procurement Regulatory Authority of Zimbabwe (PRAZ) and Zimswitch Partner to Simplify Online Payment processing for PRAZ services.

The Procurement Regulatory Authority of Zimbabwe (PRAZ) and Zimswitch are pleased to announce a strategic partnership aimed at streamlining PRAZ services payment processes through Zimswitch Online.

As an early adopter of the Government of Zimbabwe's online (digital) processes, this partnership will allow for wider payment choices for customers seeking PRAZ services.

This integration enables suppliers and procuring entities with a local bank Zimswitch enabled debit card supporting USD/ZWG to make online payments on PRAZ website using the Zimswitch payment option. This is set to increase the efficiency of procurement transactions and reducing the risk of fraud.

PRAZ mandates all customers to embrace online payments as we fully embrace our thrust towards digitisation. Payment types to be facilitated via Zimswitch Online include:

- **Registration fees**
- **Bid fees**
- **Special Procurement Oversight Contract fees**

To start enjoying the service, follow the simple Application Renewal steps below:
